Dear Sir:

In accordance with the provisions of 37 C.F.R. 1.137(b) and 1.495, Applicant petitions for revival of the presently unintentionally abandoned application. The present application is based on International Application PCT/SE2004/001286 filed August 8, 2004, claiming priority of Swedish Application No. 0302385 filed September 8, 2003. The present application was unintentionally abandoned by failure to enter the National Stage in the United States of America as a designated office under 37 C.F.R. 1.495 by the 30-month deadline of March 8, 2006.

In further accord with the provisions of 37 C.F.R. 1.137(b) and 1.495, submitted herewith are the following:

1. Transmittal Letter to the United States Designated/Elected Office Concerning a Filing Under 35 U.S.C. 371;
2. A Declaration and Power of Attorney of the Inventor;
3. A copy of the published International application WO 2005/024305 A1, including International Search Report;
4. A fee in the amount of \$575.00, representing the small entity Basic National fee, Examination fee and Search fee (search report prepared by the Swedish Patent Office) of \$450.00 and an extra claim fee of \$125.00, charged to the Visa Credit Card specified on Form PTO 2308, together with authorization to charge any additional fees which may be required for entry into the National Phase to Deposit Account No. 04-1133.

In accordance with the provisions of 37 C.F.R. 1.137(b)(2), a small entity petition fee of \$750.00 is also enclosed. Additionally, the Commissioner is hereby authorized to charge any additional fees which may be required in connection with this Petition, or credit any overpayment, to Deposit Account No. 04-1133.

In accordance with the provisions of 37 C.F.R. 1.137(b)(3), the undersigned verifies that the entire delay in filing the enclosed Transmittal Letter and attachments thereto from the due date of March 8, 2006 until the filing of the Petition was unintentional.

It is believed that the present Petition is grantable and a U.S. application number and filing date for this application and a Notification of Acceptance Under 35 U.S.C. 371 are requested.

Respectfully submitted,
